All prices quoted in this catalogue are for cash at the gardens. We do not deliver except by special arrangement.

MRS. CORA A. JENKS.

Hardy Perennial Plants

All plants listed under Rock Gardens are just as well adapted to the mixed border as those included in the following list.

ACONITUM (Monkshood)—Tall spikes of blue flowers in autumn. 35c each

ANEMONE JAPONICA (Wind-flower)—Late summer. 2 to 3 feet. White or pink. 30c each

ANTHEMIS TINCTORIA (Golden Marguerite)—18 to 24 inches. Blooms freely all summer Bushy plants. 35c each

AQUILEGIA (Columbine).

CHRYSANTHA—Bright yellow. Long spurred.

COERULEA—See Rock Gardens.

MRS. SCOTT ELLIOTT HYBRIDS—Many exquisite colors and combinations. Long spurred. 25c each

ASTER (Michaelmas Daisies)—4 feet. August and September.

MRS. F. W. RAYNOR—Crimson.

NOVAE ANGLIAE ROSEUS—Mauve. 25c each

ASTIBLE (Spirea)—2 to 3 feet. July. Feathery spikes of bloom.

KRIEMHILDE—Salmon.

PHILADELPHIA—Pink.

GRANAT—Crimson.

SALLAND—Pale pink. 40c each

BOCCONIA (Plume Poppy)—Stately plants with glaucous gray green foliage and plummy white flowers, 6 to 8 feet. July and August. 40c each

GAILLARDIA (Blanket Flower)—2 feet. Blooms
all summer. Mixed colors. 25c each

Gypsophila (Baby's Breath). 25c each

HIBISCUS (Marshmallows)—5 to 6 feet. July to
September. Immense saucer-like blooms in separ-
ate colors of red, pink, white or yellow. 35c each

IRIS—We grow a stock of moderately priced Iris, in
a good range of colors, all of which would grace
any garden. A low price does not necessarily
denote cheap varieties. High prices mean newer
varieties which are still scarce and not perhaps
any more beautiful.

S stands for Standards; F for Falls.

ALBERT VICTOR—S soft blue. F lavender. 40
inches. 25c each

ARNOLDS—S rosy bronze. F velvety purple. 30
inches. 35c each
